Mac OSX 10.7 or later Windows 7 or later Can I play this game on my computer with a controller? I believe so, but I will not be able to test the controller functionality. As I have no controller to test with, I will be completely reliant on your feedback to ensure it is working as it should. Does this game have achievements/trophies? Sadly, I do not have any achievements, since I am an indie game developer and not a game company. If this becomes a concern for you,
